Sports News

Cross Country Competition

Congratulations to both the girls and boys teams who participated in the Hertford and Ware Schools District Competition last Thursday at Hertford Rugby Club. The pupils had to run 1 mile in very bitter, windy weather but our teams were victorious with both the A and B boys and girls teams winning their events. Special mention to the boys team who finished 1st (Dex Moor), 2nd (Joshua Urquhart Deane) 3rd (Alex Roberts), 4th (Oliver Randle) and to Caitlin Ryan who won the girls race.

Basketball Tournament

On Wednesday two teams played in a district tournament at Presdales school. It was a great afternoon of basketball, playing against 10 other local schools. Both teams demonstrated some great shooting skills and tight defence, resulting in only 2 game defeats all afternoon. Well done to the B team who were undefeated all afternoon.

Dance Festival

Tickets for all pupils performing in the show on Thursday 22nd February are available to buy. Please return the slip concerning rehearsal and ticket information to the office on Monday 19th February.

Sportshall Athletics

It was great to see so many pupils attending the athletics trial and Mrs Holman wished she could accommodate everyone, but space in the hall is limited. A text will go out today if your child has been selected for training which starts on Monday 19th February.

Hope Cup/Evans Trophy

On Tuesday our netball and football teams played the next round of their matches against Morgans School. The football team were very unlucky not to win their match as all the run of play was in our favour, but we couldn't seem to score many goals resulting in a 1-2 loss.

The netball team started strongly and maintained their dominance throughout the match. Great shooting from Izzy Stewart and firm defence from Maja Pickering.
