## WODSON GAMES

A group of year 5's had a fantastic morning of sport at Wodson on Monday 17th June. They participated in Cheerleading, Archery, Ultimate Frisbee, Athletics, Tennis, Table Tennis, Badminton and Cricket.

## Balance Bikes

Reception classes enjoyed a morning of learning how to balance and travel on balance bikes. This was a taster session and pupils will have a series of lessons next term.

## Badminton

At the end of June, Phoebe, Emma, Jemima, James, Georgia, Ethan, Charlie & Harry all trialed for the Herts Junior Badminton Association County Squad and all of them were offered a place. This is fantastic news, well done to you all. We look forward to hearing how you get on.

## DISTRICT CHAMPIONS

Huge congratulations to the schools athletic team, made up of 55 pupils from years 2-6, who won the overall District Sports Cup after a fantastic morning of running, throwing and jumping.

**Cricket** Well done to the Year 5/6 cricket teams who had a great afternoon of batting and fielding resulting in some exciting games and great wins!

## **SCHOOL SPORT**

## BUILDING BRIDGES PROJECT

Year 6 pupils were offered the opportunity to spend 3 mornings working in the PE department at Amwell View School, a special school for children with severe and complex learning difficulties. After applying 18 pupils were selected and assisted by supporting and engaging with the children during their PE lessons. Amwell View also asked if our pupils would like to help out at their sports day at Wodson Park. Furthermore a teacher and a few older pupils from the school came into Bengeo to deliver some Boccia activities to our Year 4's. This has been a very positive partnership.

## TENNIS

Congratulations to Bengeo's Year 3/4 tennis team who collected silver medals on Friday at the Herts School Games Finals. The team, who have previously never played tennis before, displayed amazing tennis skills resulting in the pupils winning most of their single matches.

## A GREAT YEAR OF SPORT!

It has been a great year of sport; thank you to Mrs Holman for all her hard work and commitment to providing as many opportunities as possible to all of the children across the school.

Mrs Holman would like to thank the pupils for all their hard work and the parents for their continual support. In particular she would like to thank Mr Emmerson, our sports apprentice, who has been fantastic and a huge help with running all the sport at the school. Good luck to all Year 6's and to Mr Emmerson in the future.

### **Megan's Amazing Cycle Ride**

Among the riders on the 65-mile event was ten year old Megan Hughes from Bengeo who is a member of Welwyn Wheelers cycling club. This was the longest ride she has attempted but she did splendidly, finishing with a smile on her face. Proud dad Adrian who rode with her said Megan really enjoyed the ride and was hoping to manage a 100-mile ride this year. Amazing!

Well done to all the children who have featured in our achievement bulletin this year! If you would like your child's achievements to be shared next year, please email Mrs Murray with the details and a photo.
