Netball/Football Matches

Attendance at netball/football training has been excellent with over 30 pupils attending each sport. As a result we are hoping to run 3 teams although it is proving rather difficult to arrange enough matches to accommodate everyone. Matches so far have been mixed with both the netball and football teams narrowly losing to Morgans and St Marys but winning against Wheatcroft school.

8th Oct - Table Tennis District Competition

Bengeo performed very well at this competition, with the boys finishing second, (Skyler, Luke, Dex, Alex) and the girls (Erin, Ella, Kitty, Phoebe) winning and becoming County Champions—they now go through to the District finals.
