Child Protection Advice

As a school we are committed to safeguarding and meeting the needs of children and we hope this leaflet will provide some useful advice and information when working with children at Bengoe Primary School.

What should I do if I am worried about a child? If whilst working with a child you become concerned about:

- Comments made by a child
- Marks or bruising on a child
- Changes in the child's behaviour or demeanour

It is important to remember that it is not your responsibility to investigate suspected cases of abuse but you MUST report them to the designated safeguarding leads (DSL's) as soon as possible.

Please see the back of this leaflet for a list of our designated contacts.

If your concern is about a member of staff or volunteer you should report this to the Headteacher. If your concern is about the Headteacher, you should report this to the Chair of Governors.

All of the schools policies and procedures are available on the school website or from the school office.
